

Ministry of Faith Journey Church

Gaarde Christian Day Care (GCDC) is a ministry of Faith Journey Church (FJC). Faith Journey is a part of the Assembly of God fellowship. The Executive Pastor and the FJC Official Board oversee the business of the Day Care.

While we do not teach Assembly of God doctrinal distinctives to GCDC students. It is understood that the doctrinal distinctives govern the operations of each entity of FJC including GCDC. We require our GCDC teachers to subscribe to the 'Statement of Faith', which is found in the GCDC Handbook.

GCDC Staff

GCDC staff go through a vigorous screening process. The interview process is layered and before hiring an applicant they will undergo reference checks, State of Oregon criminal background check, and a nationwide (and international if warranted) background check. All staff, including substitutes, must meet state requirements and complete an orientation process before starting work. Each staff person must continue their education by completing at least the minimum required state clock hours in workshops, & seminars, including First Aid/CPR training.

Students must be of age by **Sept1st** and be completely potty trained needing no bathroom assistance.

HEALTH POLICY

As a licensed day care in the state of Oregon, we follow policy/protocols in regards to sicknesses. Every family will be expected to follow the 'health for all' system which means parents are responsible to evaluate their own child's health prior to each day's admittance to day-care. Every child will be assessed each day by a staff person prior to being signed in, with the expectation that no child is being sent to day care with a treated fever or cough. If there is positive test of any virus, including but not limited to, Covid 19 in the child's immediate family, there is an expectation of disclosure to the day care director. If there has been a known exposure in a child's family to Covid 19 there is an expectation of disclosure to the day care director.

PRESCHOOL

Our preschool program is foundational to prepare students academically for our kindergarten and elementary programs. Our curriculum and classroom design is to meet the emerging needs and interests of preschool age children. Some experiences your child will have the opportunity to participate in are:

- * Pre-Math, Pre-Reading, Pre-Writing skill development

- * Group Social Time
- * Bible Time
- * Science (through cooking and hands-on experiments)
- * Art & Expression Activities
- * Music & Movement

ELEMENTARY
